

## 3485 Pembina Highway

### For Lease

**3485 Pembina Highway** is a lively neighbourhood strip mall ideally situated near the intersection of Pembina Highway and Avenue De La Digue. With a prominent pylon sign, strong visibility, and a spacious front parking lot, this property offers the exposure and accessibility needed to support a wide range of businesses, from family-focused retail and restaurants to professional and community services.

Its welcoming, community-oriented atmosphere and steady traffic make it an appealing location for businesses seeking a local, high-traffic setting.

### Neighbourhood

Located in south Winnipeg, 3485 Pembina Highway is surrounded by the well-established neighbourhoods of St. Norbert, Parc La Salle, and Richmond Lakes. These communities bring a consistent customer base, supported by nearby schools, community centers, and public parks that help create a lively, family-friendly environment.

The area offers quick access to major routes and transit services, connecting easily to both the University of Manitoba and surrounding suburban areas. With a balanced mix of residential, recreational, and commercial spaces, this location is well-positioned for businesses looking to build lasting relationships within a close-knit and growing community.
